# WE CAN WIN!

## **"On the Road with Bob"**

Week of March 2-8, 2008

I hit the road again this week and saw a lot of old friends and made many new ones with visits to several district meetings and a few Lincoln Days events. This past week we made appearances in Fargo, Grand Forks, Minot, Underwood, Washburn, Jamestown, Bismarck, Dickinson, and Rugby. Thank you to everyone for their wonderful hospitality and the warm and generous reception we received!

I also attended the MARC (Minot Area Republican) monthly meeting as well as the monthly BARC (Bismarck Area Republican) meeting. We had an opportunity to have great discussions, plus there seems to be a terrific convention buzz out there!

Another highlight of our week was the "Burgers with Bob" fundraiser that took place at the Bismarck Elks on Tuesday, March 4. What a great night with friends and supporters! It was a wonderful success and a FUN evening for me! Thank you to my good friends in District 30 and District 32 for hosting and organizing this event. Your support is greatly appreciated.

With three weeks left until the state convention, my campaign is in full swing! I look forward to seeing and speaking with you and as always, contact me anytime – **I greatly appreciate your support and your vote for my endorsement in Fargo!** Together, **We Can Win!**

Until next week, I will see you in your district...or on the trail!
